SENIOR MEMBERSHIP APPLICATION

TRYC By-Law 27.01 A
Senior Members

A Senior Member shall be an accepted applicant who owns or who has owned, within the past two (2) years, a vessel of a size and type approved by the Board, and maintains a principal docking location within the Thames River Yacht Club basin or at their principal residence within 3 kilometers of the Thames River Yacht Club basin.

He/she shall be entitled to the entire privileges of the club. He/she shall have the right to attend and have a vote at all meetings of the Corporation understanding always that there shall be but one vote per vessel, and to hold office.

Vessels owned in partnership shall declare the Senior Member of record in writing and deposit same with the Secretary. The Senior Member of record shall have the vote as herein described except in his/her absence, in which case the vote may be cast by the other partner. Except with the approval of the Board, declarations may be made only once per year.

The spouse or partner of any Senior Member has the right to vote at a general meeting in the absence of his/her spouse or partner and the right to serve on the Board of Directors non-currently with his/her spouse or partner for a term. The spouse or partner holding office shall exercise the voting right during the currency of the office.

During the first year of membership you will be a probationary member but have all senior member benefits. The Board will determine your eligibility for acceptance as a senior member in early September of your first year. After you achieve senior membership status, you will receive a TRYC burgee which you may fly.
